My Dear Lord Siva

Please Accept My Most Honorable Obeisances

Please Accept My Humble Obeisances

All Glories To You And Your Counterparts

All Glories To Kirtananda Srami

All Glories To A.C. Bhaktisadanta Srami

All Glories To The Disciplic Succession

All Glories To The Lord's Devotees

All Glories To Radha And Krishna And All Incarnations

All Glories To All Of The Lord's Religious Manifestations

Please Accept This Offering Of Love

It Is A Gift From The Lord Above

It Seems Through Austerities Comes Many Realizations

It Took So Long To Realize The Importance Of Your Incarnation

Please Forgive Me For So Long Being In The Mode Of Ignorance

Now I Know It Is Through Birth And Death You Stand Up And Dance

And Through Your Love Of The Lord The World Is Blessed With True Romance

This Makes Me Understand More About Your Stance

That Has Put Me In A Transcendental Trance

For You Are So Kind To Offer All Another Chance

By Showing Me How To Cleanse The World Of The Pillers' Poisonous Embrace

And By Making Me Realize Without Your Love It Will Be The End Of This Place

Where Once A Dime Was Enough To Fill The Space

Of A Time When The Ending Was Set To The Final Phase

You Are The Greatest Of All Sages For All You Save

And Showing Us All How To Be Brave

Please Let Me Now Go To Your Caves

Thank You Lord Siva For The Blessings You Save

Love You All Always
