

## *Gifted Intuition*

*Written By Lala*

*February 3, 2013*

*This Is A Most Wonderful Time Of Year For Sharing  
When The Lord's Mercy Is Singing Our Love For Caring  
Yet Sometimes The Mind Is Captivated By Voices Of Questioning  
And We Doubt The Goodness God Gifted Us From The Beginning  
So We Just Have To Turn Off The Negative And Start Caring  
In Order To Reverse The Moods Changed Animating  
Some May Think The Mind Is Full Of Intuition From Living  
While I Like To Think My Intuition Is From Others Sharing And Giving  
That Was Handed Down From Hand To Hand With The Touch Of Loving  
When Thoughts Become Weird Or Disturbing  
Then I Question What Is Really Happening  
When Everything Looks Worse Than What We Are Used To Seeing  
Then I Start Looking For The Facts From Previous Relations  
Of Experiences That Have Been Happening  
Like Yesterday My Mind Became Clear With Higher Thinking  
Of So Many Products To Help Instead Of Hurting  
From How To Keep The Babies Healthy With Fresh Air For Breathing  
To Breaking Ice For Those Caught In The Winds That Are Freezing  
Looking At All Of My True Actual Shares And Hoping  
Maybe Someday Somebody Maybe Anybody Would Actually Start Listening  
So I Keep Writing And Rhyming And Sending  
Because God's Gifted Intuitions Are Sometimes About Timing  
Or Sometimes Maybe Just About Putting The Quest Into Rhyming  
Usually Though We Are Fortunate For So Greatly Communicating  
Bringing Together The Thoughts To Stop Useless Worrying  
So We Can Produce What Is Best For All In Which We Are Working  
Yet The Bells Ring Toll Of The Liberty Passing  
If We Just Play And Play Then We Will Never Know The True Compassing  
The Games Of The Words Are Not So Impressing  
When It Affects All We Love With Testings  
We Just Have To Turn To The Lord's Greatest Blessing*

The Human Intelligence To Science Is Devastating  
Because There Is No Other In Comparing  
Now The Bells Of The East Shores Need Repairing  
Along With The Earth's Layers That Have Left Our Lands Glaring  
So I Pick Up The Map And With The Bell In Hand Looking  
At The Dates And The Lands That Are Involved In Liberating  
Oh The Intuition Is Waiting  
Because I Need Some Facts For Presenting  
So The Littlest Matters Have The Greatest Feelings  
The Dates Are The Places Of The Thieves Escaping  
So Please My Dear Mates Take Hold For All Of Our Families' Savings  
Is It Intuition When I Pick Up A Light With A Clipper Saying  
Or Is It A Message Of My Tons Of Shares Waiting  
That Are Now Set For Seizing  
By Those Who Can Give Back To Stop Our Lives From Braking  
So That We Can Take Hold Of Our Lives Once Again Without Forsaking  
Still This Leaves Us Back To Vrindavana The Widows' Lost Cravings  
When All Love Is Left In Everybody's Else's Savings  
Could Intuitions Be For Those Not Depending  
And For Those Who Have Forgotten To Give Thanks For All The Lord Is Sending  
Thank You Lord For Allowing Me Thinking  
Because It Seems The Rest Of The World Is Too Busy Pretending  
There Can Be No Complaints When All Is There For Visualizing  
Just As Lord Vishnu Serves On Even With Eyes Stolen And Missing  
There Is A Vision That Is In Our Hearts From Birthing  
That Carries On With Proper Distributing  
There Are The Numbers For Locating  
Now Rescue Our Families From Nonsense Making  
And Get The Gold And Silver For Our Teeth And For Protecting  
From The Rays Of The Wireless War Of Careless Gaming  
Bless You All For Always Trying And Helping  
You Rule The World With All You Constantly Are Dedicating  
Thanks For Reminding Me To Keep Thinking  
Now I Must Go On Writing  
To Save The Babies That Are Sleeping  
From The Products That Cause Problems In Breathing  
Until I Am Finished Writing

Please Take The Poly Moly Bi Off From The Babies Lying  
Because The Static That Travels Is Increasing  
And Affects The Proteins And Calcium Our Bodies Are Pumping  
And Leave Gasses That We All Are Breathing  
That Little Babies Can't Handle While Sleeping  
So I Hereby Present Today Of What I'm Discovering  
As I'm Thinking Of All I Am Loving  
Bless The Babies And All For Our Living  
And For Taking Time Out For Cuddling  
For The Human Touch Is The Most Benefiting  
And For All Can Be The Most Uplifting  
Thank You All The Great Crews For Always Working  
During These Cold Tortuous Times You Are The True Saviours!

*With Love Always  
Lala*
