## Happy New Year! 2011

*Thank You My Dear Lord Of Love And Peace For Helping Me  
When No One Else Cared*

*Thank You So Much For All You Have Shared*

*Please Thank All Of The Big Boys That Helped With Our Tunnels Of Love  
Please Give Thanks To All Of The Lords Of The Lands Seas Oceans And Sky*

*Especially Give Thanks To The Great Lord Above*

*I Attempted To Back Out The Other Day As I Stated I Tried*

*The Message Came Quick And Clear*

*Well Than Lets Try Again*

*So Now I Have To Try Harder Than In 2010*

*The Only Way I See Doing This Is By Getting Physically Back To Work*

*Are You Ready To Propagate Along The Water Ways Of Your Land*

*I'm Excited Just To Find Someone That Will Make A Stand*

*I'll Be Happy To Be A Gardener Of You Sand*

*The Rich Took All My Profits*

*The Government Gave All The Cuts To The Rich*

*I Love America But I Can Not Afford To Live Here*

*Please Let Me Come And Work There*

*I'll Place My Promotions In Your Hand*

*If You Can Save Me From These Cut Throat Demands*

*I Will Help To Make Your Land Flourish*

*And Give To Those That Need To Be Nourished*

*I Tried My Best But No One Cared*

*Can You Take My Profits And Make This Fair*

*I Really Wanted To Move Onto The Next Stage*

*But They Are Too Busy To Pay Me My Fair Wage*

*I Hope I Never Inherit The Spite That They Rage*

*They Raised The Price Of Food Here By One Third*

*In These Depressed Times Is Fairness Unheard*

*They Think Nothing About Biting The Hands That Feed*

*Let Alone The Hands That Worked So Hard To Free*

*How Is This Fair That Now They Will Jail Me*

*If I Can Not Be Free*

*Then Pull Them Back Through Our Tunnels Of Love And Let Them Be Jailed With Me*

*Please Ask The Lords Of The Water The Land And The Air*

*To Tally Up The Numbers And Make This Fair*

*Tell Them There Is Time To Move Now  
Before The Sun Moves Up And Our Shadows Take A Bow  
This Is But A Few Full Moons Away  
After That The Dangers We Will Start To Pay  
Tell The Lords Of The Underground To Gather Up The Equipment And Take A Rebound  
Don't Let Them Lose Their Last Resources To The Blast  
Take The Steel From The Tracks And Put It Into Our Ports Fast  
I Made The Protest At The Beginning Of August  
Even With Curve Balls And Distractions I Did Not Get Lost  
I Observed The Conditions Of The Elements And Followed Protocol  
But They Let A Creeper Take The Lead To Destroy Us All  
I Even Warned Of This Jealousy And How It Could Make Everyone Fall  
Now The Words I Wrote In My First Letters Will Take Place  
The Current Issues Are Very Haste  
I Was Hoping I Wasn't Too Late  
Sorry, I Offered My Best And Received Only Hate  
I Guess For My New Year's Resolution I'm Going To Try To Go Out On A Date  
No One Ever Took Time Out Of Their Precious Lives To Give Me Such A Fate  
Oh That's Right It's Bars For Me That Wait  
So If It's A Wrongful Game They Play  
They'll Get To Watch All I Warned Of Take Its Place  
I Say Splash Splash Splash  
Bring The Paper And The Pen And A Few Friends  
If They Won't Bail Me Out  
Then I Beg Of You To Help Me Out  
I Will Understand Though If You Can't  
We Don't Really Have Time For Any Of This  
The Sun Is Rising Faster Each Morn  
Soon The Sparkles Of Their Glory We Will Adorn  
I Cry When I Think Of All Of The New Borns  
And The Dues The Greed Has Worn  
On All Of The Poor Innocent Children  
Why Wouldn't Just One Listen  
Now My Heart Is Torn  
They Could Have Switched Crops And Produced More Corn  
And Used What's Left To Keep Us Warm  
At Least If They Jail Me You Won't Have To Listen To My Words  
I'll Just Pretend I'm In My Love Mountains And Fast From The Evil That Prevalied This Earth  
Before I Go I Would Like To Give You One Last Show  
My Lady Of Love That I Broke In Half*

*After Putting Her Up On A Filing Cabinet  
Is Much Like Me And Meant To Be On The Ground  
Not In An Office Writing Things Down  
We Are Meant For Carrying The Fruits And Sweets To Ships Aboard*

*Look At The Fruit Preserved In Natures Sugar  
If The Big Boy Billionaire Of 2009 Can Change Some Crops  
It Would Put My Love Of Mexico Back Together  
But With The Conditioning Elements  
No Crops Will Withstand This Weather  
Without The Help Of Water  
IWE Stands To Help  
But Only If You Can Get All Of The Lords To Pull Me Through Our Tunnels Of Love  
So That I Can Continue And Try To Rise Above  
And Give What All Deserve – God's Love*

*May The Great Lord From Above Bless You Throughout This Year And During All Of Eternity  
Thank You!*

*Love You All Always*
