My Dear Lord Of Love And Peace

I Guess This Will Be Our Cancer Awareness Week

Please Give Doctor Nityanand The Credit He Deserves

Since My Healing Center Being Built Is Still In Reserves

We Can Use The Auto Grandpappy's Center To Release A Cure

Please Act Fast So I Can Come For A Tour

Or I Won't Be Able To Give You The Key To Save This Earth

I'm Not A Fool And Won't Give Out My True Worth

Unless You Big Boys Compromise And Converse

I Know Your Feelings Have Been Hurt

But That's The Way Fame Goes On This Side Of The Earth

It's Me That Should Express Desires To Gain Back My Turf

I'm The One Feeling Tricked

*And Am Lying On The Ground Injured
Okay Right Now With The Attire Gifted To Us At Birth
You & Me One On One And No One Gets Hurt
Let's Roll All Over The Ground
And Up To The Top Of The Highest Mountains
We'll Wrestle Together Throughout All Of Our Towns
And Bounce Across The Hills That Are Collapsing Down
As Queen Lala I'll Take My Golden Crowns
And Spare Them From The Greed's Heat This World Has Found
And Share Them With All In Our Wonderful Museums
The Only Crowns I'll Accept To Wear
Will Be Made Of Greens and Flowers
And Will Compliment The Curls In My Hair*

*The Only Gold I See Fit To Wear That Is Fair
Is The Gold In The Marigolds Like Harmony
With The Showers Of The Flowers' Powers Throughout Eternity
That Will Save The Bees And All Of Our Species
Was I Tricked Into Giving My Control To You To Save This Earth
I've Seen Visions From The Land On Which You Stand
You Weren't There Before Me I Was There First
From Many Previous Births
I Want To Scream More Over That's My Sandy Dirt
It's Good That My Intentions Are The Same As They Always Were
To Help Everyone's Land And To Protect And Preserve
You Have Not Yet Responded To My Callings
You Do Realize I Could Take Up Other's Offers*

There Is One That Recently Came Close To Where I Took Birth

It Seems His Country Has Taken My Ideas Into Concern

Remember It Was You That Zapped My Turn

To Keep Them From Me And What They Might Learn

If We Can't Meet And Somehow Agree

They'll Somehow Take Hold Of Me And My Ideas

And Conspire Another Idiocracy

And Then Surround You With Kleptocracies

Whilst Planning To Swoop On Down

And Take Over All Of Our Towns

See They Have No Choice But To Help Me

Now That I'm Crowned Queen

Or All Of Their Cities And Hills Will Fall Down

Unless My Plans Are Honored And Returned To My Just Crown

As I Stated From The Beginning

It's Not Fair To Steal Someone's Ideas

And Cash In On What Should Be One's Righteous Winnings

Just Because My Ideas Were Created Out Of Desperation

To Stop This Earth's Total Annihilation

I Don't Care For Causing So Many Frustrations

By Stealing From Students Mothers Fathers And Even The Pirates

We All Deserve Fair Credit For Our First Creations

Otherwise Integrity Is Lost In All Of Our Organizations

And The Collapse Shall Soon Begin With No Further Hesitation

I'm Not Sure Who Was Tricked More

You Or Me With Our Sandy Shores

*Or All That We Have Fought For
In Our Lives For Our Love And All We've Endured
You May Want To Look Closely In The Mirrors Reflection
And See It Was Me That Offered All Protection
With My Love All And Neutral Intentions
I'm Really Wondering How Long You've Had To Wait For Me
To Come And Accept This Role As Queen
You Didn't Tell Me I Am In The Art Left By My Family
You Didn't Show Me My Love Left In Their Paintings
And That The Golden Crowns Were Once Worn By Me
For Many Lifetimes As The True Owner Of Your Northern Lands
Well Guess What
Queen Lala Is Back To Make My Righteous Claims*

And To Gather Back My True Gains

I Thought I Was Tricked Into Such An Honorable Position

But It Was Meant From The Beginning Of This Lives' Creations

Should I Take Back Giving You My Control

Or Should I Just Stand Up And Help You Take Hold

Or Could We Please Just Free The Rest Of The Victims' Souls

And Take My Competitions On The Road

I Have Time Limits And I Have To Meet Goals

I Won't Go Back On The Gifting Of My Control

Because It Was Right And Came From My Heart And Soul

Now I Must Rise And Initiate My Next Processes To Save

All The People Of This Earth That Are Our Friends

And Our Cities And Hills Before They Give In And Cave

*And Save The New And Old Lands Of Sand
In Which For Lifetimes We've Played
I Will Send A Next Step To Save The Children
That's Been In My Heart From Two Previous Decade's End
I Wondered Why I Instantly Fell In Love With Your Land
When I Heard Of You And How You Made A Stand
It's Because That's My Land On Which You Stand
Well Move Over I'm Coming In
It's Time For My Work To Begin
I'll Be Needing My Profits Gained
Any Interest And Investments Of Mine Go Back Into Our Land
And Back To The People In All Of Our Lands
So That They Can Be Strong Enough To Always Make A Stand*

*To Fight Off The Idiocracies And Their Self-Mutilating Plans
And Give Everyone's Children Protection
For The Rest Of All Of Our Lives' Duration
You'll Have To Rise Above Any Thoughts Of Where I'm From
It Doesn't Matter If I'm From The North South East Or West
Because Where Ever I'm At I'll Do My Best
As You Have Seen I've Already Been Put Through This Test
Just Like Previously When Conquered By Greed's Quest
It May Be Written That The Greeks Were Brought Down
As Others Conquered Our Land And Took Over Our Grounds
Not Honoring The True Worth Of Our Golden Crowns
But From The Writings The Truth Is Not Found
Of How I Was Queen Whilst The Rest Had Already Fallen Down*

*And That The Reason For Conquering My Land And My Towns
Were Only To Disperse The Most Powerful Energies
And To Spread Across The Earth Our Mathematical Abilities
So That We Could Help All Rise And Build Strong Communities
And This Is Why The Pharaohs Came In A Vision To Me
To Offer Support And To Also Give A Plea
To Protect Our True Worth And All Of Our Families
While Sparing The Love Of The Art That Reigns My Heart
And To Somehow Form A Bond Of Tranquility
So That We Can All Rise Back Up Above This Life Of Slavery
So Now As Queen Lala Of Africa
And The Queen That Originates From Greece
I'm Honored To Share With All Even The Meek*
