

Michigan Medical Marijuana Malarkey

Written By Lala

December 6, 2012

This Is To Give Honor To The Residents Of Michigan
And To Show Respect To Those Across All Of Our Lands
Because Of The Injustice Led By Professional Miscreants
That Plummeted Our Family Members Into The Dirt And The Sand
Leaving So Many Children Without Birth Parents
And So Many Parents With Losing Their Children
Then To Top It Off Administered False Medical Prescriptions
From Doctors That Have Staged A Career Pretending
To Care About Anybody Is Just An Act Of Falsification
And Is Actually An Act Of Illegal Forgery
And Has Led To So Many Other Acts Of Embezzling
Just The Same As The Resource Theft In West Virginia From My Land
Papers Were Signed By Fake Representatives
Just Like That Of The MMM Lawyers Of Fakeness
Along With The National Cement Crew Dope Heads
And Those Administering The Laws Of Stupidness
That Bust Into Homes And Destroy Lives For Wages Of Payments
And Even Shoot Little Girls While In Bed Sleeping
Pretending That What They Say Is For Medical Usage
But Actually It's Just Another Bunk Scene From Lawyers That Turned Into Greedy Pigs
The United States Has Been Bunked Out Bureaucratically For Decades
And Now Has Been Bunked Out By The MMM
Along With Northern Elites Pretending To Be Friends
With Weed That Looks And Taste Like That Of The Seventies
But Is Actually Just Bunk And Has No Medical Or Intoxicating Qualities
Except That Of Which Any Other Herbs Would Also Release
Ask Me How I Know The Truth Of This Mystery
It Is Written In The Case That Was A Case
Of When I Was A Starving Teenager Hitchhiking And Traveling
Advice That Was Given To Me From Smiley
To Make Sure That Wherever I Went I Would Always Have A Key
A Secret Of Pickings Some Leaves From Some Weeds
And Drying And Rolling Them Up For Smoking
This Allowed Me A Conversation Piece
With My Navel Crews In From Months Out At Sea
That Just Wanted To Relax And Do Something Amusing
But The Cheaters Would Attack In Hopes Of Using
My Friends I Had Gained By Just Standing Smoking And Talking

Telling Them The Further They Walked The More That Would Get Stolen
My Little Herbal Weeds Became A Big Token
Whilst Jealousy Entered The Eyes Of Subordinates
That Wanted To Fine Our Military Men For Just Talking
Or For Anything To Get Their Months' Worth Of Work Wages
I Was Honest And Told My Seamen Of The Realistic Coordinates
They Were My Friends Fighting For Our Country Not Just Fake Stages
They Were Proud To Stand Up And Sail Out To Defend Our Families
And Should Earn Some Respect When Returning
Only To Find Scams Galore That Were Just Plain Discerning
That Took From Our Securities And Left Our World Burning
My Mighty Mighty Mates Will Always Love Me
Because I Told Them The Truth And Showed Them Reality
The Funny Thing Is My Wild Growing Weed
Was A Lot Better Than These
The Lawyers Of Lawlessness Call Medical Marijuana For Helping Healing
It Is Only A Money Making Scam And Is Stealing
You Can Ask From The Smiles On The Streets To The Crews At Seas
I'm The Best Healing Weed Distributor There Will Ever Be
Because I Told Them All Key This Is Just Weeds
The Best I Can Offer Is My Smile For Free
Because This Weed I Picked Is Not Marijuana Really
Still Months After Months Of Sailing
They'd Come And Smile Laugh And Have Fun With Me
And Take Back To The Ships Their Pay Checks Still In One Piece
Except Maybe For The Cost Of A Meal Or A Room To Sleep In
Perhaps Some Milk Nectarines Or Giant Peaches
All In Exchange For Time Worth Giving
For The Crews That Protect Us From Being Taken Advantage Of
My Job Was To Offer Back The Same In Respect With Love
As Is The Same Today With The Knowledge Of Love From The Lord Above
So When That Cement Team Comes Knocking And Smashing In
Tell Them That The Judge Told Lala There Is No Need
To Arrest Those In Possession Of A Vegetable Cigar Or Even Seeds
Is Simply A Waste Of All Of Our Time And Money
This Is From A Case In San Diego In 1980
In Which I Am Using As Verification In Need
Due To The Wrongful Charges Against So Many
Where Official Teams Attacked People Over Bunk Weed
That Never Really Intoxicates You Or Me
And May Only Help By Burning Of Excess Gasses In The Atmosphere
At Least My Plants Have Absorbed My Consciousness Of Well Being

And When Taken In Actually Do Make People Happy
Because I'm Not A Fake Like Those Falsely Claiming
To Have Fixed The Economy When They Met Doing Nothing
And Continue With What Is Not Theirs On Spending
Taking My Proposals Like Build It Here, Ship It There; Anywhere For Misusing
So Wrongfully The Denial That Is Destroying Everything
These Leaders That Have Caused Such Financial Distressing
Fly Off To Hide From The Nukes Melting
And Come Back Only More For The Taking
So Wake Up Realize That You All Have Been Fooled
The Laws That Have Been Administered Are Crooked And Are Not True
These Acts Of Lawlessness Are Just More Cover Ups For Us Getting Screened
From The Fake Medical Scams Brought To You
From Fake Doctors Held Hostage Too
Into The Blackness Of Bogus Pharmaceuticals
That Are Mostly Either Bunk Or Poisons From Nukes
Medicines That Are Temporary And Only Detour
Due To Misclassification And Lack Of What Is Accurate
The Truth Is In Our Losses And Here We Have The True Facts
Now Please Tell Me Why Are We Being Attacked
By Carelessness Greed And False Pretense
Leaving Us All Feeling Dissatisfied And Discontent
How Is This A Way To Lead A Country Or Continent
Totally Faked Out With Lies And Bombs Destroying Everything
This Is Not Really The Best Way To Lead
And Will Soon Lead To The Cumberling Of All False Prestige
Rising The People Will Take Back What They Need
While I Continue On With My World Mission Of Healing
With The Truth This And That Of Weeds
That Has Been Handed Down Through My Heritages
And Also Through The Teachings Of Kirtanananda Swami
Who Was Taught By Srila Prabhupada About Real Truth In Loving
Is To Learn And To Share How To Love God
And Not Just What He Sends

With Love Always

Sala
