We Need To Protect Our Water Ways
And Build Up Our Pores To Ensure Homeland Safety
To Make Our Lives Healthy And Safe For Everybody
Of Our Lands And Every Country
We Don't Want To Feel Or See
Earth's Oils Gases And Other Resources Escaping
From The Core Of Mother Earth Unnecessarily
Piling Up Deadening Layers Of Waste And Toxins
For The Lord's Future Generations
For Our Children To Play In.....
Help Us All Help Our Children
To Have Fresh Air To Breathe In
Please Don't Just Let Us Fade Away
Think Of All Of The Lord's Children Praying
For Somebody To Come And Save Them
Please Stop Destroying
All Species That The Dear Lord Above Created
Let Us Start By Protecting Our Water Ways
