*The Lord Has Blessed This World With Visions Of Reality
It Only Takes Waking Up To See The Truth Clearly
Or Taking A Nap Into A Meditative Dream
As I Wake From My Sleep Three Nights Passing
Showered With Tears Drenched And Perspiring
Shaking From The Fear I Had Seen
Ripped From The Arms Of The Love Of My King
Thoughts Traveled Through Countless Times Of Infinity
In All Directions From All That Has Been Told By Everybody
The Father Of My Children Ruler Of My Dynasty
Who Joyfully Lived Spreading Love And Harmony To Everybody
Responsible For All Children Providing Generously
Even To Those God Had Already Sent To Me
Through Brutal Rapings Of Jealousy Hate Greed And False Prestige
It Is Easy For Me From This Dream To See
True Happiness Lifted This World When You Found Me
On The Hillsides With Only Roots And Weeds To Eat
My Mind Imagines Life Before Brutally Separating
The Children Were Starving And Had Frozen Feet
You Provided Them With Shelter Clothes And Food To Eat
Taking Them In The King Of The Mobilities
So Protection Was Provided For Our New Formed Families
By The King Of Mobilities And His Queen
Using God's Tools For The Families With Faith In Serving
To Some Seeming To Be Just Animals Meant For Working
The King Of Mobilities Engaged All Equally
And Honoured Us With His Queen Helping Raise The Future Destiny
For The Queen Of Mobilities Treated All Children As Her Own And Was Very Loving
Accommodating Us To Be Together As A Family In Hiding
Now It Is Easy For Me To See The True Facts Of The Past Beginning
Human Civilizations Began With Only Two Types Of Human Beings
Those Of The Light And Those Of The Dark From Shadows Of The Sun Rays
On The Light Side Of The Mountain Where Humans Were As White As Can Be
Living In Hiding Became First Hand Nature To This True Worldly Queen
Being Trapped To Often By The Prejudice From The Darkening
Impregnated Again And Again By Skin Jones Of My Own Likenings
Left Lying Almost Lifeless Screaming From The Beatings*

*Being Lifted Up With Your Eye Sight Became My Only Worth Living
Embraced In Your Arms My Abandoned Family
As We Played Danced We Lived Happily
Combining Together The Two Dynasties
Brought On Simple Living And Higher Thinking
Our Children Favored You Their Father My Dear King
Still You Treated With Fairness All Children And Living Entities
You Were The Greatest Father To Our Children And To The World's Families
I Stood Up From That Dream With A Broken Heart Trembling
Pulled From The Realms Of This World My Soul Started Remembering
Inside My Mind Yelling Don't Take My Son And My King
Remembering Our Eyes Locked One On One Screaming
Then Looking At Our Children Held Down From Separately Reaching
Slances Of Our Lives Spiritedly Attracting
Hearing Those Words Over And Over Again Ringing
As Our Crowns Torn Rings Pulled Off Jewels Ripped From Adorning
I'll Be Back The King Of Light Yelled Promising
She's My Queen Through Times Immemorial Earth's Energizings
I'm Coming Back To My Home And My Families
To Give Back True Honour To My Children And My Queen
Our Love Is To Honour And Cherish Forever And Ever Through Eternity
You'll Never Stop Me From Being Born Again And Returning
To Take Back Hold Of My Love Of My Lady
The Carrier Of Our Eternal Destiny
You'll Not Stop Us From Being Together Journeying
In Any Other Life Form Known To Humans
Or Be It The End Of This World From The Mountains
To The Valleys To The Rivers The Oceans And Seas
All Willing Being Destroyed Every Entity
Ripping Us Apart Taking True Kings And Sons To Engage In Slavery
Words Echoed Through My Body Heart And Soul Pulling Heavily
Tearing Apart Every Bit And Piece Of The Lost Memories
From There Since Days Gone By I Am Dreaming
Of All Directions Of What When Where Who Why And How This Is Happening
The Games We Created Were Used To Kill The Love Of The Queens
The Games We Played With Our Families To Teach Honour And Integrity
Were Taken Wrongfully And Used Not Only For Murdering The Prince And The King
But Were Then Forward Used For Slaughtering Our Animal Beings
And Became The Center For Torturing Raping And Killing Families Origins
Destroying The People Of The Love Of The True King
Did Nothing To Change The Sun From Shining
The Dark Standing Still In The Sun Light Gleaming
Left Images Atoned Waters Shadowing
Souls Slated Uplifted Dancing And Laughing*

*Footsteps Floating Around The Fire Blazingly Ringing
Goals Tumbling Down To The Earth's Core Shown Through Singing
Sounds Caught In Eternally Vibrating
The Original Sounds Beating Blazes Of Yearnings
Stated Souls Of The Children To The Princess' Hand Clinging
As The Prince Unties The Holding Attraction Of Carpeting
The Lord's Chariots Stand Still Without Strengthening
Children Climbing The Royals Appending
While The Mules Run Free With The Wild Stallions
The Gold Of The Fire Burns Into Red Rivers Winding
Still The Stated Dancing Laughing To The Beat Of Lives Loving
Lips Sounding Out With Glorious Humming
Flames Roaring Crackling Waving
To The Darkness That Is No More In Waiting
For The Only Second Worths Hesitating
Seeds Buried In The Snows Hibernating
Till The Heat Fills The Shells Within Life Containing
Leaves The Ashes For Neutral Regulating
With The New The Stated Remain Knowing
That With The Lord's Love One Seed Is Remaining
That Will Carry Over The Royal Love Sustaining
Through The Bodies Of Times That Keep Changing
